

# MILLER'S MEMOS

OCTOBER 5, 2009

## Weekly Note:

The weather is turning colder and the kids are coming to school without a coat on! Just hoping that between the both of us, we can remind the kids to wear appropriate clothes to match the weather!

Field trip permission slips were sent home last week for the Shedd Aquarium. All money and slips are due by Thursday. Chaperones will be picked Thursday.

Progress reports went home Friday. They are to be signed and returned to us by tomorrow. (I will stamp them and return them for good on Thursday)

Thanks so much for helping to make our child be successful!

## Homeroom Happenings...

**Math:** Last week we worked on lessons 14 & 15. This week we will be working on 16-19.

**Science:** We have been focusing on vertebrates and invertebrates.

**Social Studies:** We are continuing our focus on map skills and are moving on to intermediate directions. There will be a test over this material tomorrow.

**Writing/Grammar:** We are focusing on subjects and predicates.

**Reading:** We are focusing on comparing and contrasting. We are also heavily focusing on fluency and comprehension.

**Spelling:** This week we worked on words with inflections -ed and -ing.

## Bobcat Folder Contents...

Please look these papers over carefully, sign and return those indicated, and any work your child wishes to include in their portfolio.

Papers to be signed and returned:
