## **RESULTS OF E-NEWS SURVEY**

Thank you to those of you who completed the E-NEWS survey. Only 25 people completed the survey, but the results gave some good feedback and suggestions. Everyone responded positively to the weekly e-mail communication. It was suggested that the E-NEWS contain links to the newsletters from each of the schools or use the notification system through e-mail to alert parents of a new newsletter. Suggestions also included more information on student activities and accomplishments and athletics.

The feedback and suggestions will be incorporated into the district's communication plan for 2010-2011 to better serve our parents and community!

## **REGISTRATION FOR 2010-2011**

To date, there are still about 100 students who have not yet registered for the 2010-2011 school year. **Please return student registration as soon as possible;** planning for class sizes and course offerings at the high school are based on the number of registered students. Registration fees for 2010-2011 are due by August 6, 2010.

The Board of Education recently made changes to fees for athletics and art. The athletic fee for middle school students is now \$60 per sport and for high school students is \$125 per sport. Art fees were set at \$20 for middle school and \$75 for high school. Letters will be sent out to parents the third week of July to remind parents of fee changes and the August 6th due date for fees. Changes to band fees will be addressed at the June 28, 2010 Board meeting.
